

Image permission and consent form

To Whom it may concern

During DeadlyScience programs, you may have the opportunity to be photographed or filmed for DeadlyScience publications, such as the newsletters or website and social media, or to promote DeadlyScience in newspapers and other media and documents. DeadlyScience may also wish to use your photographs, videos, images, likenesses and works in print and online promotional, marketing, media, and educational materials.

Thank you for your consent for DeadlyScience to use images, likenesses, videos and/or recordings and your name as described below, for DeadlyScience. Photographs, images, likenesses, work and/or video recordings and/or audio recordings and/or interviews and/or transcripts ("Recordings") may be made.

Purpose: Recordings and names will be used for a range of purposes, but principally for use in materials produced by DeadlyScience. This may include, but is not limited to, magazines, brochures, leaflets, podcasts, websites, promotional material and other electronic media. DeadlyScience may also use the images, videos and/or recordings and name associated with any use of the Recordings. The Recordings may be stored in the DeadlyScience digital library. The Recordings may also be used by other third parties external to DeadlyScience for other purposes.

DeadlyScience accepts no responsibility for the use of the Recordings and names in association with the Recordings by any of those third parties. DeadlyScience is unable to offer any compensation or fee for its, or a third party, use of the Recordings or name in association with the Recordings. DeadlyScience, or a third party, may use the Recordings, and/or excerpts thereof, as required.

By reading and signing the release below, you acknowledge the intended uses (above) and give your permission for the Recordings to be reproduced, broadcasted and communicated without limitation.

You also agree not to seek payment from DeadlyScience and release DeadlyScience from any and all liability associated with the use by DeadlyScience, or a third party, of the Recordings as set out in this release.

You also agree that any rights granted under this release are perpetual, but can be revoked by you at any time by contacting DeadlyScience staff.

By signing this consent form:

- I understand that DeadlyScience is not required to inform me where and when photos, and/or vision/sound recordings, incorporating my child's image, likeness and/or voice are being used.
- I understand that the websites and publications may be accessed via the internet and that full identifying information about my child will not be provided.
- I understand that DeadlyScience will not use photographs or recordings for any purpose other than the purposes stated above.

I, _____, grant permission to be photographed and/ or videoed and/or audio recorded and/or interviewed on behalf of DeadlyScience and/or during DeadlyScience programs. I understand that the photographs or recordings may be used by DeadlyScience and by other third parties in accordance with the above.

I understand that DeadlyScience is not required to inform me where and when photos, and/or vision/sound recordings, incorporating my image, likeness and/or voice are being used.
