

## Social tiles and captions to share with your networks

We have put together a range of captions and social tiles that you can use to share our mission and impact with your networks. Feel free to personalise these captions based on your own experiences and connection to the DeadlyScience cause. Sharing your stories or testimonials can further inspire others to donate and get involved, we are grateful for your continued support.

### Captions:

"I'm proud to support DeadlyScience, an organisation dedicated to creating STEM equity for Aboriginal and Torres Strait Islander learners. Join me in making a difference by donating today! Every contribution counts. #SupportSTEM #BeDeadlyDonate"

"Together, we can empower Indigenous children through the power of education in STEM. Join me in supporting DeadlyScience as they strive to make a positive impact in Indigenous communities across Australia. Let's change lives together! #EmpowerIndigenousYouth #BeDeadlyDonate"

"I believe in the transformative power of education. That's why I'm standing with DeadlyScience to promote STEM opportunities for Indigenous learners. Join us in shaping a brighter future. Donate now and be a part of the change! #BeDeadlyDonate"

"Education is the key to unlocking endless possibilities. I'm excited to support DeadlyScience in their mission to provide STEM resources and programs to Indigenous children. Your donation can make a real difference. Let's invest in the future together! #InvestInEducation #BeDeadlyDonate"

"As a supporter of DeadlyScience, I've witnessed the impact of their STEM initiatives firsthand. Now, I'm inviting you to join our community of changemakers. Together, we can ensure every child has equitable access to quality education. Donate now and be a catalyst for change! #BeTheChange #SupportSTEM #BeDeadlyDonate"

"In a world full of possibilities, every child deserves the chance to dream big. Join me in supporting DeadlyScience as they work tirelessly to provide STEM opportunities for Indigenous youth. Your donation can help turn dreams into reality. Let's make it happen! #DreamBig #BeDeadlyDonate"

"As we strive for a more equitable future, education remains our most powerful tool. I'm proud to stand with DeadlyScience in their efforts to bridge the gap in STEM education for Indigenous learners. Will you join us in creating opportunities for all? Donate today and be a part of something special! #BridgeTheGap #SupportSTEM #BeDeadlyDonate"

"Together, we can break down barriers and build brighter futures. Join me in supporting DeadlyScience as they empower Indigenous children through STEM education. Your donation can pave the way for a new generation of scientists, innovators, and leaders. Let's make a difference together! #BreakBarriers #BeDeadlyDonate"

"Together with DeadlyScience, we're igniting the passion for STEM in Indigenous communities across Australia. Join me in supporting their incredible work by making a donation today. Let's empower the next generation of scientists and thinkers! #IgniteSTEM #DonateNow"

"DeadlyScience is leading the charge in providing STEM resources and programs for Indigenous children. I'm proud to be a supporter of their mission. Will you join us in making a difference? Your donation can spark curiosity and inspire greatness. #SparkCuriosity #SupportSTEM"

"Every child deserves access to quality education and opportunities. That's why I'm proud to stand with DeadlyScience in their pursuit of STEM equity for Indigenous learners. Together, we can break down barriers and create pathways to success. Join us in making a difference! #BreakBarriers #BeDeadlyDonate"

"Education knows no bounds, and neither should opportunities. DeadlyScience is committed to leveling the playing field for Indigenous youth in STEM education. Let's support their efforts by donating today. Together, we can build a future filled with endless possibilities! #LevelUpSTEM #SupportIndigenousYouth #BeDeadlyDonate"

"By supporting DeadlyScience, we're not just supporting students; we're investing in futures. Join me in supporting their vital work in promoting STEM education for Indigenous children. Your donation can plant the seeds for future innovations and discoveries. Let's sow the seeds of success together! #InvestInFutures #BeDeadlyDonate"

Social Tiles:

A photograph of four young people, three girls and one boy, standing outdoors in front of a building. They are all wearing white lab coats and safety goggles. The girl on the far left is also wearing a headband. They are all making a 'V' hand gesture. The background shows a building with a corrugated metal roof and some greenery.

**DEADLYSCIENCE.ORG.AU**

A close-up photograph of a hand sorting through a large pile of small, colorful plastic building blocks (like LEGO bricks) on a wooden surface. The blocks are in various colors including red, blue, yellow, green, and white. The hand is positioned in the upper right, with fingers reaching down into the pile. The background is blurred, focusing attention on the hand and the blocks.

# I've Donated to the next generation of Deadly Scientists
